Dustin Retzlaff Leads in February

Heyward Street United Methodist Church

2501 Heyward Street

Sunday February 2, 2025

2:30 PM

To find material for our newsletter, I often go over to the Internet to research a musician.

As the owner of Retzlaff Piano Service, Dustin is a Steinway trained registered piano technician, who keeps our Carolina Jazz Society piano in tune.

Dustin is also the owner of Soda City Sawmill. Look at him doing a job in Georgia with his arm around our ex-President, Jimmy Carter.

Oh, and by the way, this multi-talented individual is also our bass player who will lead this Sunday. I am excited to see what he has in store for us.

Bruce Clark was in an auto accident with serious injuries. His wife, Carol has set up a Caring Bridge page so his friends could keep up with his progress. To access, go to caringbridge.org and create an account. Then search for "Bruce Clark". At this time there is no visitation.
